

Oregon State Board of Chiropractic Examiners DC License Yearly Renewal Requirements

[Oregon Board Website \(click here\)](#)

- 1. First year Oregon licensees must have completed 4 hours over-the-counter medications AND 2 hours of evidence-based outcomes management.**
- 2. Second year licensees renewing must complete 7 hours CE (of the 20 total due) in pain management;**
- 3. All other Active DCs need 20 general CE hours (all 20 can be taken online);**
- 4. An Inactive licensee is not required to report CE**
- 5. All licenses must be renewed and continuing education hours completed by the end of the DC's birth month each year.**

See [Oregon CE Page](#) under Continuing Education for additional information.

I strongly advise finishing early to avoid practicing without a license.
