

The application for the California Radiography Supervisor and Operator Permit can be found at the following webpage:

[http://www.cdph.ca.gov/pubsforms/forms/Pages/RHBCertificationForms\(HealingArts\).aspx](http://www.cdph.ca.gov/pubsforms/forms/Pages/RHBCertificationForms(HealingArts).aspx)

The application is listed under “Licentiate Forms”. The application is form CDPH 8230 (California Licentiate Supervisor and Operator Permits). The application will explain what is necessary to submit and to what address. After your application is processed (approximately 30 days from receipt by this office), you will receive a letter from the Radiologic Health Branch (RHB) explaining that either, your application is acceptable, what examination you must pass within one calendar year in order to obtain the permit, instructions on how to submit a separate payment of the non-refundable examination fee to the ARRT, and schedule that examination through the ARRT; or that your application is not accepted for filing and what specific information, documentation, or fee you must submit within 30 calendar days in order for RHB to consider the application acceptable. Please contact me if you have further questions.
