The screenshot shows a Zoom meeting window. At the top, the title bar includes 'zoom Workplace', a help icon, a dropdown arrow, a 'Meeting' label with a group icon, a window title 'John Campise's screen', and window control buttons. On the right side of the title bar, there is a green shield icon, a settings icon, a 'My screen' icon (circled in red with an arrow pointing to it), and standard window controls. The main content area is split into two panes. The left pane displays a presentation slide titled 'Diabetes Type II' with an image of donuts and a waterfall. The slide text includes 'Medical vs Alternative Treatment Options:', 'Alternative: (2) Reduce or remove concentrated sugars and refined carbohydrates like bread, rice, and pasta from the diet.', and 'Find the patient's carbohydrate tolerance with the Two Week Test: <https://philmaffetone.com/2-week-test/>'. A vertical gray bar (circled in red with an arrow pointing to it) is positioned between the two panes. The right pane shows a video feed of a man, identified as 'John Campise' at the bottom. The bottom toolbar contains icons for Audio, Video, Participants (27), Chat, React, Raise hand, Share, Host tools, More, and a Leave button.
